

FENCE PERMIT ADDENDUM

Dear Resident;

The homeowner, _____,

who resides at _____, South Holland, IL is requesting a permit to erect a **6' fence** adjacent to your property. No residential fence exceeding five (5) feet in height from normal grade level shall be erected in the Village except with specific permission obtained from the Code Enforcement Office or the Planning & Development Commission. To obtain permission for up to a six (6) foot fence, written permission must be secured from the neighbors directly involved and presented to the Code Enforcement Office before a fence permit can be issued.

=====

My signature is here to certify that I am aware that my neighbor, who is adjacent to my property, is requesting permission to construct a **6' fence** and I have no objection. I understand that this fence will comply with the South Holland Village Ordinance.
